SMA EXTENDED WARRANTY COMFORT

Valid from October 1, 2017

Extended warranty for Sunny Boy, Sunny Tripower, Sunny Highpower and MLX

In accordance with our warranty conditions, an SMA replacement device, including dispatch handling, is included in the Comfort extended warranty: If your device is defective, we will send you a replacement inverter with all the necessary updates, at no cost. In order to ensure that the device replacement process is as smooth and easy as possible for you, your installer and, if desired, SMA Solar Technology AG will be happy to assist without charges. All important information about the SMA warranty can be found in our warranty terms and conditions at www.SMA.de/en/Service-Support.

Simply fill out the order form and fax or e-mail it to us.

Fax number: +49 561 9522-435600; e-mail address: Warranty@SMA.de

* The factory warranty for the SBx.x-1AV-40 is 5 years. This can be extended by a maximum of 10 years to 15 years.

** The factory warranty for the SBxx00TL-JP-22/-MP is 10 years. This can be extended by a maximum of 10 years to 20 years.

*** The extended warranty for the SB xx00SE-10 refers exclusively to the inverter (the corresponding battery is not a part of this extended warranty).

The sale of extended warranties is limited to the above listed device types (the above mentioned device types ending with -BS, -IT and -Kxx are excluded from the limitation).

SMA reserves the right to add or remove device types to or from the overview list at any time.

The warranty can only be extended during an existing valid warranty period.

The total duration of the factory warranty period and the warranty extension may not exceed 20 years.
